

INVITATION

SEMINAR : INDIAN TALENT IN BELGIUM

Date : Tuesday March 17th

Venue : Town Hall, Grote Markt 9, 3000 Leuven

Dear Madam,
Dear Sir,

Our 2-year focus seminar “India, & Mobile Talent” is taking a different turn this year. Indeed we notice 2 interesting trends :

On the one hand there is the growing number of Indian students completing their studies at Belgian Universities, which brings the need for internship places : how can we turn this to an advantage for Belgian companies facing a shortage of skilled young people.

And on the other hand we see a growing number of Indian companies investing in Belgium .

In both cases cultural differences can be a hurdle , that’s why we have decided to take a closer look at the Indian talent in Belgium and how to make it work for the benefit of both parties.
